Background/Skills

I am seeking a job in front-end and back-end web development. I have a lengthy job history as a manager/supervisor of teams of up to 25 people. In having years of managerial experience, I have honed my time management and organizational skills as well as developing strong communication skills. I have attended the UNCC Full Stack Coding Bootcamp. I look forward to starting my career in web development.

Experience

Blumenthal Performing Arts / Ticketing Supervisor

February 2019 - August 2021, Charlotte, North Carolina

My duties included: Supervising the night-of-show box office, running the show financial statements, managing the day-to-day call center activities, resolving conflict situations, managing the balance dues that arose from the payment plans, training new employees, and leading the season subscription renewals and new patron packages.

Independent Contractor / Actor/Tour Guide

August 2016- February 2019, Charlotte, North Carolina

Between the years of 2016 and 2019, I worked for several companies including: Children's Theatre of Charlotte, D&G Entertainment, and Charlotte NC Tours.

Tolmar Pharmaceuticals / Ordering Specialist

September 2015 - August 2016, Fort Collins, Colorado

My duties included: ordering chemicals for the lab, organizing lab equipment, and keeping track of all of the chemicals in the lab that were soon to expire.

Education

UNCC / Full Stack Coding Bootcamp

August 2021 - November 2021, Charlotte, North Carolina

Front-End and Back-End Web Development program.

York Technical College / General Education

August 2003 - May 2004, York, South Carolina

General education classes with a slight focus on English Literature.
